

**Minutes
Licensure Review Committee
February 11, 2004**

Members Present - Anne Moudy, Kathy Klawitter, Bill Rentschler, Earlene Holland, Kevin Walter, Shawn Sriver (staff)

Visitors - Joe Adams (IICCA President), Ken Thompson (Dept. of Ed.), James Little, Joe Bryan, James Bryden, Ann Bilodeau (Indiana Speech Language Hearing Association President), Gary Collings, Deborah Harman, and Kay Olges

-Chairperson Anne Moudy called the meeting to order.

-The minutes of September 9, 2004 were approved.

-Shawn Sriver reported that the Exceptional Needs Advisory Group previously moved the area back to Standards Committee.

-Shawn Sriver reported that IPSB approved the charge of the Exceptional Needs Advisory Group. The advisory group will hold it's first meeting on March 3 at Washington Township. In addition to their charge to review the standards, the group will also make a recommendation on changes, if any, to the Licensure Framework in Exceptional Needs. Ena Shelley will chair this group and Shawn will be the staff person.

-Considered the rejoinder for Work-Based Learning Coordinator License.

-read an e-mail of support from Steve Hagen and Jon Groth.

-read a draft of Shawn Sriver outlining two views of the Career and Technical Education groups.

-discussed the rejoinder

-Criteria 1 - Partially Met* - Kathy moved - Kevin 2nd – passed

*with note that no specific state standards exist

-Criteria 2 - Partially Met* - Kathy moved - Earlene 2nd - passed

*with note that no specific state standards exists

-Criteria 3 - Met - Earlene moved - Bill 2nd – passed

-Criteria 4 - Previously Met

-Criteria 5 - Met - Kevin moved - Bill 2nd - passed

-Criteria 6 - Partially Met* - Kathy moved - Kevin 2nd - passed

*University prepared for content but not a separate license

-Criteria 7 - Partially Met* - Earlene moved - Kathy 2nd - passed

*need for Standards work

-Criteria 8 - Previously Met

-Recommendation - Form an advisory committee to review standards and evaluate need for a separate licensing strand for a work-based learning coordinator. In addition, the committee will include at least one member of each licensing area under Career and Technical Education (agriculture, health occupations, business services and technology, family and consumer sciences, marketing, trade and industrial education and work-based learning).

-moved by Kathy - Kevin 2nd - passed

- Heard presentation from Indiana Speech and Hearing Association. concerning changes in Rule 8-1-16 (d).
- The group requested that the holder of the Communication Disorder License be eligible for an Accomplished Practitioner License when he/she has:
 - (1) held a license for 5 years as a speech-language pathologist practicing in an accredited school
 - (2) maintained the Certificate of Clinical Competence (CCC) as set forth for ASHA for 5 years
 - (3) completed 30 contact hours of professional development activities every 3 years
 - (4) be designated for ASHA special recognition
- Recommendation - Shawn Sriver will draft an e-mail to ISHA and ICASE to form a committee, independent of the IPSB, to consider a recommendation to the LRC on the redefining of qualifications for an Accomplished Practitioner License for a person with the communication disorders license. (See attached letter)
- Shawn Sriver provided an update indicating that a group representing Attendance Workers have expressed interest in petitioning for a license. Shawn Sriver will contact the chair and explain the process.
- Next meeting was tentatively set for Tuesday, June 11.
